

LANGTANG COMMUNITY REESTABLISHMENT MEETING
1000hrs August 13, 2015 – Yellow Gumpa, Kathmandu
Langtang Reconstruction and Management Committee

Agenda:

1. Further discussion on Project Plan Draft
 2. Forming a technical working group
 3. Create list for data collection
 4. Coordinate vocational Training
-

1. Further discussion on project plan progress

- Other trails also need repairs, eg. Thulo Syabru
- National park / department wants to charge a royalty on fallen timber
- Need for increased transparency in Langtang Committee financial system
 - Committee currently has approx. \$80,000 from many individual sources
 - Should provide list of donors and crowdfunding sources for funds
 - Current daily costs: approx. 75,000 Rps
 - Finjo Lupchan is treasurer
 - Split training should be planned with OM Nepal and Rasuwa Relief to do some basic finance training
- DDRC (district disaster relief center)
 - should be asked for special permission to start transporting materials

2. Formation of technical working group

- Technical group will meet separately to discuss and revise building plans
 - Daniel Strob (Rasuwa Relief)
 - Lakpa Sherpa (Rasuwa Relief)
 - Supa Lama (Langtang Reconstruction and Management Committee)
 - Dindu Lama (Langtang Reconstruction and Management Committee)
 - Erina (Solidarite Langtang)
 - Delactras (Solidarite Langtang)
 - Steve Williams
 - Jonas Häberle (OM Nepal)
- KTM universty has a PPT about rebuilding Langtang (NOT GOOD!!!)
 - they should be contacted
- Temba will send digital file of building plans

3. Coordination of Vocational training

- Engineers without borders has a campus on the north side of KTM
 - Possible training support available
 - Austin Lord will contact them
- Dwarika hotel expressed interest in training
- Ohm from Solidarity Langtang (partner organization with Rasuwa Relief) will eventually do guide training for 15 people to help reestablish tourism

4. Data collection / additional organizations' roles and involvement

- Asia Onlus has an assessment sheet of data
- Karuna foundation: support for health post (Isabella will send more info)
 - already doing health posts and building temporary shelters in Rasuwa
- Langtang Valley Health - ran health post in Langtang and raised money (ca \$80,000) for recovery
 - conducted a health survey
 - decided to discontinue Organization and gave all raised money to sustainable steps
 - contact: Gyanaan (in canada, can be contacted via their homepage)
- Sustainable steps
 - built hanger things
 - doing sponsorships with all Langtang children
 - probably have Langtang data
 - Contact: Amit Shapira (#9803948074)

5. Possible contribution to project by group

- Rasuwa relief has another 8 solar units at hand and another 15 that can be ordered
- Langtang Committee does list of concerns
- Asia Onlus can possibly support temporary shelter as well as the restocking of the animals and livestock
 - Mules are better for transport because of the thin trail
 - Approx. 30 mules are needed for transport
- German Caritas will likely be working on trails and is coordinating with the National Park
 - DAV (German alpinist club) also expressed interest in helping with trail

If there are any corrections or additions requested please don't hesitate to contact Jonas.haeberle@fosanet.org.

Jonas Häberle, OM Nepal
